ABOUT ME

Github: https://github.com/BomboBombone

WORK EXPERIENCE

[15/03/2022 – 15/09/2022] **Software programmer**

Freelancing (remote)

City: Macerata
Country: Italy
Main activities and responsibilities:
Development of very small ICT applications, each customized to fit the customer's needs.
The software was usually a small WPF application (.NET Framework 4.7.2) that needed to
provide assistance and/or automatization for a specific set of tasks, which were defined
at the begininning of the job by the customer.

Used languages: C# (.NET Framework), Python, C/C++

[07/01/2022 – 15/03/2022] **ICT application developer**

Freelancing

City: Macerata
Country: Italy
Main activities and responsibilities:
Client and server software developer, with a bit of experience as a system analyst, having
to complete tasks such as installation and maintenance of system software, network
configuration and other minor functions.

The client had the task of automating the user's interaction with a couple web
applications, whilst the server had the task of keeping track of various users and their
licences.

The project eventually ended up being open source: https://github.com/
BomboBombone/DiskoAIO
Other details regarding the project: https://opensea.io/collection/diskoaio

Used languages: C# (.NET Framework 4.7.2), Python 3.9

[15/08/2021 – 05/12/2021] **ICT application developer**

Freelancing (remote)

City: Macerata
Country: Italy
Main activities and responsibilities:
Development of desktop applications geared towards automation of the interaction with various web apps.

Used languages: C# (.NET Framework), Python, C++
